AUTHORISED AND APPROVED BODIES UNDER THE ACT ON THE TYPE APPROVAL OF CERTAIN CONSTRUCTION PRODUCTS II Decision

(The evaluation criteria for certification certificates have been published and the institution's activities have begun)

Authorised and approved bodies	Product group	AVCP PROCEDURE	Period of validity
Finotrol Oy			
	Wooden wall, ground floor, intermediate floor and roof elements	mechanical connectors AVCP 2+ and in load-bearing elements AVCP 1 assembled with glued joints	20 July 2024
	Tensile-stressed and glued steel beam or screw joints for wood structures	AVCP 1	20 July 2024
	Stair product systems	AVCP 2+	20 July 2024
	Ready-mix concrete	AVCP 2+	20 July 2024
	Load-bearing wooden assemblies assembled with mechanical joints (nail plate structures)	AVCP 2+	20 July 2024
	Wood-steel composite girders (Posi-Joist beams)	AVCP 2+	20 July 2024
Inspecta Sertifiointi Oy			
	Ready-mixed concrete	AVCP 2+	30 May 2024
	Liquid container elements, solid concrete tile elements and other solid concrete elements	AVCP 2+	30 May 2024
	Wooden wall, ground floor, intermediate floor and roof elements	mechanical connectors AVCP 2+ and in load-bearing elements AVCP 1 assembled with glued joints	30 May 2024
	Stair product systems	AVCP 2+	30 May 2024
	Wood-steel composite girders (Posi-Joist beams)	AVCP 2+	30 May 2024
	Load-bearing wooden assemblies assembled with mechanical joints (nail plate structures)	AVCP 2+	30 May 2024
	Tensile stressed and glued steel beam or screw joints for wood structures	AVCP 1	30 May 2024
	Roof bollards as well as service ladder, snow guards and roof safety rails	AVCP 2+	30 May 2024
	Heavy heating, ventilation and air conditioning flue elements	AVCP 2+	30 May 2024
Suomen Betoniyhdistys ry			
	Specialised tension joints of reinforced bars	AVCP 2+	23 May 2022
	Load-bearing beams made of masonry pieces and mortar or concrete	AVCP 2+	23 May 2022

Authorised and approved bodies	Product group	AVCP PROCEDURE	Period of validity
Eurofins Expert Services Oy			
	Moisture barrier tapes and other sealing equipment	AVCP 2+	31 December
	Roof bollards as well as service ladder, snow guards and roof safety rails	AVCP 2+	31 December 2021
	Lightweight concrete elements	AVCP 2+	31 December 2021
	Pile rock points and joints	AVCP 2+	31 December 2021
	Fire protection products and equipment	AVCP 1	31 December 2021
	Stair product systems	AVCP 2+	31 December 2021
	Shear-stressed fasteners and connectors	AVCP 2+	31 December 2021
	Tensile-stressed and glued steel beam or screw joints for wood structures	AVCP 1	31 December 2021
	Wooden wall, ground floor, intermediate floor and roof elements	mechanical connectors AVCP 2+ and load-bearing elements AVCP 1 assembled with glued joints	31 December 2021
	Heavy heating, ventilation and air conditioning flue elements	AVCP 2+	31 December 2021
	Specialised tension joints of reinforced bars	AVCP 2+	31 December 2021
	Ready-mix concrete	AVCP 2+	31 December 2021
	Load-bearing wooden assemblies assembled with mechanical joints (nail plate structures)	AVCP 2+	31 December 2021
	Wood-steel composite girders (Posi-Joist beams)	AVCP 2+	31 December 2021
