Regarding environmental impact assessment of the  
North-West Estonia offshore wind park project

Dear Mr. Tallskog

In a letter dated March 15, 2017 the Ministry of the Environment of Estonia sent to the Ministry of the Environment of Finland the supplemented and updated environmental impact assessment (EIA) report of the North-West Estonia offshore wind park project. We received the comments of Finland on May 19<sup>th</sup>, 2017.

Hereby we are sending You the answers prepared by the developer and the leading EIA expert of the project.

If You wish to continue the consultations on EIA, please provide an answer within ten days after receiving this letter. Otherwise we will consider the consultations on EIA ended.

Sincerely Yours,

Kaupo Heinma  
Acting Deputy Secretary General

Annex: Answers by the developer
