In replay to your declaration of participation in the EIA procedure for the project **Construction of the wind power plants Baltic North**, in accordance with Article 3 point 7 of the Espoo Convention I would like to inform, that the proponent

**Baltex Power S.A.  
ul. Krucza 24/26  
00-526 Warszawa**

plans a project called Construction of the wind power plants Baltic North. The EIA procedure is carried out and the decision on environmental condition will be issued according to the *Act on the Provision of Information on the Environment and its Protection, Public Participation in Environmental Protection and Environmental Impact Assessments* (Official Journal of the Laws 08.199.1227). The Regional Directorate for Environmental Protection in Gdańsk is the competent authority to conduct the EIA procedure for the project .

Please find enclosed the information sheet of the project in Swedish. The information sheet as an electronic document will be sent via email.

I would like to ask you to confirm the reception of the notification immediately and provide us within 30 days from the reception with comments on the scope of the EIA documentation. Due to the fact, that the EIA procedure is running and the investigation for EIA documentation has been started, the extension of the deadline for scoping comments is not possible.

Katarzyna Twardowska  
Deputy Director of EIA Department
