Ms Seija Rantakallio
Point of Contact of the Espoo Convention
Ministry of the Environment of Finland
P.O. Box 35
FIN-00023 GOVERNMENT

16. April 2015 No. 11-2/13/3902-14

Transmittal of documentation concerning
environmental impact assessments of the water
permit for the pier of Pakrineeme Sadama OÜ
Paldiski LNG terminal

In a letter dated 09 January 2014 Estonia notified Finland in accordance with Article 3 of Convention on Environmental Impact Assessment in a Transboundary Context (Espoo Convention) of environmental impact assessments (EIA) of the water permit for the pier of Pakrineeme Sadama OÜ Paldiski LNG terminal. Estonia received your response on 07 March 2014 where you indicated that you wish to participate in EIA procedure.

As the EIA programme phase had already ended, You considered it sufficient to make comments on EIA report. Now the EIA report of the water permit for the pier of Pakrineeme Sadama OÜ Paldiski LNG terminal is ready for public display. Hereby Estonia is sending the EIA report in Estonian and the summary in Finnish (chapter 8 of the report). According to the Estonian law we also send You the application of the water permit (in Estonian). All these documents can be found on CD attached to this letter. Please notice that the content of the application of the water permit will be changed taking into account the results of the EIA.

Taking account the Agreement between the Government of the Republic of Estonia and the Government of the Republic of Finland on Environmental Impact Assessment in a Transboundary Context, we kindly ask you to submit any comments concerning the documentation within two month of the receipt of this letter to:

Ministry of the Environment of Estonia
